Volunteers are welcomed at all Urbana Schools. Each year volunteers donate thousands of hours of time to our schools: tutoring, mentoring, or assisting in classrooms. Public school districts cannot succeed in their mission without the dedication and support of the many volunteers who dedicate their time to our classrooms. We are grateful for the caring and commitment of our volunteers.

Fill out a volunteer application
Pass a background check
Attend an orientation/training session at the school site
Sign in and wear a nametag when you are in the school

Please contact the volunteer coordinator at the school where you would like to volunteer. The coordinator will explain volunteer opportunities available at their school.
